Disposable Gloves

Choose from latex or hypoallergenic nitrile. Disposable gloves are great for lab hygiene. They offer barrier protection from chemicals and microbes. Wearing gloves helps students be mindful of lab safety. 100/bx.

Latex Disposable Gloves

S9000	Small	4.95/bx
S9001	Medium	7.00/bx
S9002	Large	7.00/bx

Nitrile Disposable Gloves

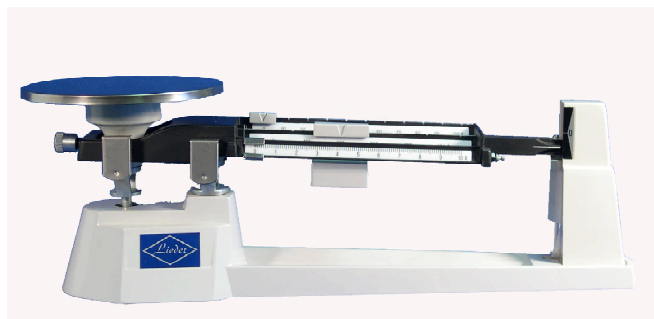

S8889	Small	10.90/bx
S8888	Medium	10.90/bx
S8887	Large	10.90/bx

Laboratory Thermometers

Glass laboratory thermometers, spirit filled with roll stop.

Cat.#	Range	Immersion	Sale Price
T5045	-20/110C	Total	1.95 Ea.
T5065	-20/110C	Partial	1.95 Ea.
T5055	-20/150C	Total	1.95 Ea.
T5070	-20/150C	Partial	1.95 Ea.
T5055	0/230F	Total	1.95 Ea.
T5075	0/230F	Partial	1.95 Ea.
T5090	-20/110C & 0/230F	Total	1.95 Ea.
T5095	-20/110C & 0/230F	Partial	1.95 Ea.

Triple Beam Balances

This rugged balance is an economical solution to most laboratory weighing needs. It features 610g capacity and 0.1 gram accuracy. Beams are notched and tiered, with front beam calibration. Capacity can be increased with included weight set. Stainless platform is 15cm in diameter.

B0029 Triple Beam Balance, 610g x 0.1g **69.95 Ea.**

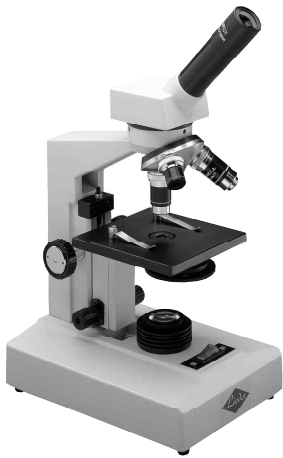

Lieder Stereo Microscopes

These stereo microscopes feature quality optics for bright, crisp images. The microscopes include variable halogen (upper) and cool fluorescent (lower) illuminators. This full size stereo microscope is an unbeatable value.

MS-512	Stereo Microscope, 10X/20X Magnification	250.00
MS-513	Stereo Microscope, 10X/30X Magnification	250.00
MS-524	Stereo Microscope, 20X/40X Magnification	250.00

*UPS Ground Locations Only, 20% off UPS Standard Air Rates

Lieder MC-100F Compound Microscope

The MC-100F brightfield microscope offers the standard features requested by high school and middle school teachers. These features include: Locked on 10X wide-field eyepiece, 4X, 10X, 40XR objectives, rotatable head, inclined head, coarse and fine focus, and long-life fluorescent illuminator.

MC-100F Microscope, 4X, 10X, 40XR Objectives List: 315.00 **Sale: 195.00**

Lieder MC-300 University Series Compound Microscopes

The MC-300 microscopes offer exceptional quality at an affordable price. Features include: 10X Wide-field eyepiece, 4X, 10X, 40XR, 100XR (Oil) objectives, rotatable head, coaxial coarse and fine focusing, variable quartz halogen illuminator, abbe condenser, coaxial mechanical stage, and reverse turret. Options include: Plan Achromatic objectives, Phase-Contrast, Epi-Fluorescence, and Kohler Illumination. **This microscope has a very low maintenance mechanism. It works especially well for remote locations where service is difficult to obtain.**

MC-300 Monocular, Brightfield, Achromatic Objectives List: 545.00 **Sale: 275.00**
MC-30T Teaching Head, Brightfield, Achromatic Obj. List: 595.00 **Sale: 299.50**
MC-319 Binocular, Brightfield, Achromatic Objectives List: 796.00 **Sale: 484.50**

Ohaus Scout Pro Balances

The redesigned Scout Series from Ohaus is a must in any lab. These are balances feature durable construction and come popular capacities. The easy-to-use keypad allows users to tare, calibrate or choose from the eight weighing modes. The balance has a hook for density/specific gravity measurements. Stainless steel pan. RS232 Optional.

<u>Cat.#</u>	<u>Capacity</u>	<u>Readability</u>	<u>Sale Price</u>
B0085	200g	0.01g	282.00 Ea.
B0085-1	400g	0.01g	407.00 Ea.
B0086	400g	0.1 g	162.00 Ea.
B0087	600g	0.1g	224.00 Ea.

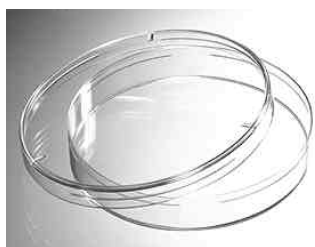

Adam Balance with Draft Shield

This affordable balance is ideal for a variety of weighing applications. It is lightweight, rugged and has the following features:

- | | |
|-----------------------|---------------------------|
| Auto-Calibration | Backlit LCD Display |
| 5" Dia Stainless Pan | Draft Shield |
| AC Adaptor | Integral Security Bracket |
| Low Battery Indicator | Auto Power Off |

ACB150	150g x 0.005g	274.00 Ea.
AQT200	200 x 0.01g	202.50 Ea.
AQT600	600 x 0.1g	130.50 Ea.

Sterile Petri Dishes

Disposable polystyrene culture dishes. Standard 100x15mm size. Packed 20 to a sleeve, 25 sleeves to a case. Sterile.

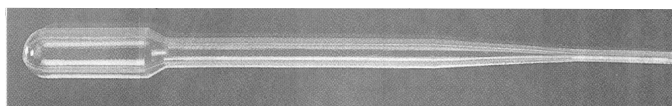

D1030-1 Petri Dishes 500/Cs Sleeve: 5.25/20.
Case: **90.00**

Magnesium Ribbon

For Combustion Experiments. 30 Grams.

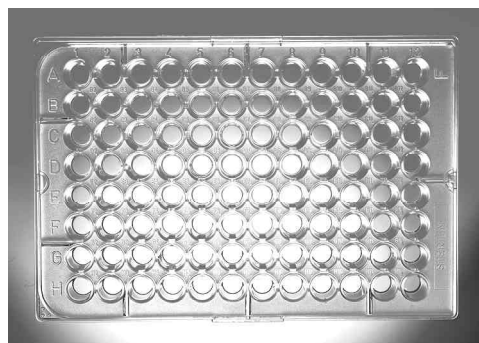

C5042-02 **7.95**

Transfer Pipets

Disposable. Graduated. 500/Pk.

P1082 7.0 mL Cap. 3.0 mL Grad. **12.50/Pk**
P1081 5.0 mL Cap. 1.0 mL Grad **12.50/Pk**

Disposable Microplates

Polystyrene. Non-Sterile. Sterile Plates are available. Plates include a lid.

P0064 24-Well Plates **3.50 Ea.**
P8871 96-Well Plates **3.50 Ea.**

Deluxe Chemical Goggles

Vented to discourage fogging. Indirect vents protect from chemical splash. Comfortable soft vinyl frame. ANSI approved.

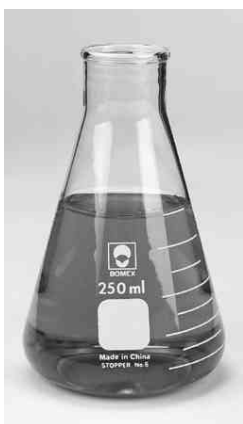

S9017 Deluxe Chemical Goggle 4.00 Ea.
Sale: **2.60 Ea.**

Spot Plates

Porcelain. Glazed

P9060 6 Cavities **2.50 Ea.**
P9061 12 Cavities **3.25 Ea.**

Erlenmeyer Flasks

These borosilicate flasks are tempered to withstand heat stress. They conform to ASTM standards for laboratory glassware. They feature a marking spot, graduations, and a beaded rim for safety.

<u>Cat.#</u>	<u>Cap.</u>	<u>Price/Pk.</u>
F1000	125mL	20.75/12
F1005	250mL	36.40/12
F1010	500mL	26.50/6
F1015	1000ml	53.65/6

Griffin Beakers

These quality beakers feature borosilicate construction, uniform walls, double graduations, marking spot and reinforced rim.

<u>Cat.#</u>	<u>Cap.</u>	<u>Price/Pk.</u>
B1000	50mL	20.05/12
B1005	100mL	21.15/12
B1010	150mL	23.65/12
B1015	250mL	25.19/12
B1020	400mL	31.60/12
B1025	600mL	22.60/6
B1030	800mL	26.00/6
B1035	1L	36.85/6
B1040	2L	48.20/4

Graduated Cylinder with Plastic Base

These cylinders feature a graduated borosilicate glass tube with pour spout, fitted into a molded plastic base.

Cylinders have a double metric scale and are graduated "To Contain". The quality construction of these cylinders meets ASTM Class B requirements. The tempered glass resists heat stress. Each cylinder comes with a plastic bumper. Their durability makes them a great choice for educational applications.

<u>Cat.#</u>	<u>Capacity</u>	<u>Price/Package</u>
C6590	10 ml	22.50/6
C6595	25 ml	24.50/6
C6600	50 ml	27.50/6
C6605	100 ml	35.50/6

On-Site Microscope and Balance Service and Repair

Discover Science Carries a Wide Variety of Biology, Chemistry and Physics Equipment. Please Fax or Email a List of Products You Need From Any Catalog and We'll Be Happy to Quote You and Provide them at Our Low Prices.
